### Market Report

### Thursday, Nov. 15, 2012

We would like to thank everyone for doing business with us. Your business relationship is important to us. We've had the pleasure of Shianna Frye as a temporary employee, her talents are many including singing the National Anthem, playing piano, and teaching piano. It is wonderful to see people do little things with great character. The market was strong in places and soft to lower in places.
