

Valentine Livestock Auction Company

Valentine, Nebraska

Market Report Thursday, April 27, 2017

A very strong market, futures up \$8 in 2 days and cash fat at 137. It's exciting times, cattle bringing \$100 /hd more than we thought could happen. Twenty one years ago, we sold them for a lot less, we know it will change but for now it's good. Like for people to remember APHIS public meeting sessions, it's about animal disease traceability, your participation in these hearings would be desired. The two closest to our area will be May 4 in Denver, CO and May 24 in Billings, MT. Petitions for no Brazilian beef and reinstate COOL are on line.
