Market Report

Monday, October 8, 2018

Many good yearlings in town. A lot of good energy in yearlings, not many left in the country. We had high quality fall wts, well received. Overall, a strong go, with miserable feedlot conditions this sale may have been better.

Market Report

Thursday, October 11, 2018

Many high end calves with proper preconditioning shots, compliment consignors for their ranch practices to provide a great product. Again, the weights compared to year ago are less (20 lbs or more). Much mud in the east, we are hopeful that dries quick.
