Market Report

Thursday, February 7, 2019

Talk about cold! Wind and low temperatures, our outside help did a stellar job of contending with the cold. Weigh up market was steady to lower. Heiferettes were higher. Bred cows were very well received and bred heifers were up and down in price range.

A big crowd on hand for the R-Calf presentation by Tracy Hunt, Bill Bullard, Tatum Lee and Don Kane. The connection between Global Roundtable for sustainable beef, RFID and country of origin labeling is real. We thank Bill, Tatum, Tracy and Craig Miles for their commitment to our beef cow industry.
