### Market Report

#### Thursday, February 28, 2019

What a week and month of cold. Not much better for early March, our best to those calving now. An active weigh up market, feeding cows and high end kind steady to higher. The full and thin cows steady to strong. Demand for heiferettes steady to softer than 3 weeks ago. Pregged open heifers active to strong.

**Date to remember: Thursday, March 14 Regular Sale with the Pasture View Angus Bull Sale, which has been rescheduled from Thursday, March 7.**
