## 400 HEAD SELL

**LAND • EQUIPMENT • CATTLE**

**Cox Family**

*Dear Fellow Angus Breeders*

*It is with an extremely heavy heart that I'm writing this letter. After a lot of soul searching and sleepless nights Dawn and I have decided to disperse our cattle herd. We are ready to downsize and simplify our lives to spend more time traveling and spending more time with our grandchildren.*

*My reluctance is leaving the great friends we have made in the Angus Community. It has been a wonderful journey getting to know and work with so many great people. We will not close the book. We will continue to follow up on our friendships with every one of you.*

*For the past 20+ years we have been collecting females from some of the best cow herds in the country. As you browse through the offering you will see the cow families that we have hung our hat on and what we are so very proud of. I believe these females will go out and help each and every one of you achieve the goals you have aimed for your herd.*

*I want to take a moment to thank Grant Bedel and Scott Reader for giving Dawn and me a big part of their lives the last nine years. We were blessed having them in our journey and wish them success in their new adventures.*

*Lastly, I want to thank every person who we have crossed paths with, that made our Angus Journey fun and fulfilling. Dawn & I will forever be grateful.*

*My God bless you all*

## COMMENTS FROM THE SALE MANAGER:

*The Pasture View Angus Complete Dispersal - A Monumental Event!*

*Plan now to be on hand as Dave and Dawn Cox disperse the land, equipment and cattle in this historic Angus event.*

*The Angus herd is one of the finest in existence and without question is in its finest hour. The ongoing success of Pasture View Angus over the course of the past decade is awe-inspiring. From a long string of both successful annual bull and female sales to popular champions and showing competition, the Pasture View program has certainly made its mark.*

*The breeds' finest cow families are represented including Blackcap May, Elba, Abigale, Emblynette, Lady Prideva and so much more. An impressive array of high quality females will sell including donor cows, cow/calf pairs, bred heifers and ET calves plus herd sires, embryos and semen. This is a once-in-a-lifetime opportunity to access some of the best to be found!*

*Plan now to be on hand and don't hesitate to call on us at the American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.*

Sincerely,

Tom Burke
