Market Report

Thursday, December 17, 2020

Finished out 2020 with a mild, dry day. Considering all that has happened this year, we ended on a good note. This offering had the key ingredients: long time weaned, well exercised, clean, uniform in kind, well presented. We extend to all a warm, safe holiday filled with the energy of good tidings.

May God adorn your homes with the thoughts of our Savior and little ones give us smiles of excitement and joy! Merry Christmas!
