### Market Report

#### Thursday, January 21, 2021

We want to acknowledge Larry & Carol Wunschel on a job well done. Their commitment to producing high end calves in a practical manner recognizing the environment (being good stewards) in putting genetics, etc is not unnoticed. Also, they are active advocates of this way of life and seeking fair and equitable markets for our product. Country of Origin Label on USA produced products should still be front and center to our mission statement. Thank you Wunschels!!! We wish you the best!
