Market Report

Thursday, October 7, 2021

Our second spring calf sale, and what's really evident is healthy, vigorous calves, with ears. Even through a dry summer the calves weigh good and are as healthy in four to five years. Producers, we compliment your management, thoughtfulness to cow productivity and the fiduciary duties. We have some personnel changes to tell you about. Jake Hopwood, who was with us three years, has moved back toward home (Shelby) and will work for Columbus Livestock. Brogan Arendt has agreed to expand his role here at VLA. You can visit him at 402-389-0281. Thanks to Jake and we wish him the best.
