Market Report

Thursday, November 18, 2021

Calf market continues to move along on a steady plain. Vaccinated calves vs. non-vac is noticeable price difference. Heifer market had a big jump (quality was good) some going back to breed. Our condolences to the Sexson family and we share your loss. We will host a rollover auction on December 16, Tyler Woolfolk will donate a feeder calf for this event. Please help our friends.

Representative Sales: Spring calves
