Market Report

Thursday, September 1, 2022

Cow market remained steady to a bit lower on kill cows, but mostly steady. Considering this the time of the year this is about as good as it ever been for September.

We lost one of our sale barn family; Patty Brown who took over the restaurant 14 years ago. I recall Bill & Allen saying they had someone they thought would be good at running it. Was she ever! Patty was driven, made good food and cleaned even better. Remembering when she hosted her class reunion, she made it nice and made everyone feel special. To hear her tell about baton twirling in high school- it was Patty! Don't cut corners, do it with the throttle wide open. Preparation, get it ready and be organized was Patty. We will miss you Patty!.....VLA crew
