Valentine, Nebraska

Market Report

Thursday, February 8, 2024

Preparation and processing bred females for a sale is not an easy task. Having a conscientious vet so the preg is on, ID properly and easily identified age are all items needed to have adequate data to move interstate shipment. Dr. Brad Rodgers does this job with great accuracy and we thank him. Compliments to our yard staff with sorting and organizing to make an easy to follow sale order. Compliment these people when you see them for their efforts-Brogan Arendt, Kaylen Hollopeter, Barry Sell, Sam Day, Grant Brinda and organizer Lisa Bellin.

Mandatory ID is an item being pushed by NCBA. Nebraska Cattlemen is behind this resolution along with USDA higher ups! Call your Senator and/or Representative!

If you are for this come and see Greg, we need to talk.
